Welcome to Year 6!

October 2026

Aims and Objectives:

- To give parents/ carers information about preparing for SATs.
- To help parents/ carers understand what happens during SATs week.
- To help parents/ carers support their children's learning.

What happens in Year 6?

- Focus on reviewing skills, building on skills and closing gaps.
- Children will sit Mock SATs, in order for staff to get a clear idea of focus areas.
- Mathematics groups will target all children to ensure they meet the age related expectations as well as mastery.

What happens in Year 6?

- A focus on one-to-one reading in order to develop fluency.
- Children will receive homework based on focus areas, following the homework timetable.
- Tuition clubs have already started - focus children attend.

What can you do at home?

- Attendance is important.
- If your child has been invited to attend a tuition session, please ensure they attend - this is free! 
- Parents evenings are an opportunity to sit down with your child's CT - upcoming meeting 21.10.26.

What can you do at home?

- Check your child's homework as well as their engagement with TTRS.
- Ensure your child reads every day and complete their reading record - this helps with comprehension
- Any issues? Flag with CT.

What will SATs week look like?

Monday, May 10th: English grammar, punctuation test (45mins).
